SUMMARY

I started my journey in the IT industry at **ITI RJ**, where I trained as a **Computer Operator Programming Assistant (COPA)** from 2021 to 2022. During this period, I gained extensive knowledge of **computers, encompassing both hardware and software aspects, basic computer networking, formatting, Tally software, HTML, CSS, JavaScript, and Microsoft Office.**

In 2023, I commenced my college education at GTU University, where I am currently pursuing a Diploma in Computer Science.

Furthermore, I joined **RNW Multimedia Education in RJ as a MERN Stack Trainee**, where I have been honing a range of valuable skills. I am on track to complete this course in 2025, having learned **React JS, JavaScript, CSS, MongoDB, Node.js, Express.js, EJS, Tailwind CSS, Bootstrap, GSAP, Framer Motion, and Firebase**, among others.

EDUCATION

2021 to 2022 ITI RJ Industrial Training Institute	COPA Computer Operator Programming Assistant
